

SOMERSBY SPARKLING WHITE. INSPIRED BY WHITE WINE.

NEW

Somersby Sparkling White is a refined semi-sweet apple cider full of tingling live bubbles with a fruity white wine aroma. It has the same grown up flavour and structure as white wine, while keeping the familiar refreshment of a cider.

Like all our Somersby ciders, it is best paired with food. Top food pairings for Somersby Sparkling White include cheeses, seafood, white meat and cold cuts.

Similar to Sparkling Rosé, it is best served chilled in wine glasses, with bottles placed in ice buckets to deliver a premium experience.

Check out the participating F&B outlets for that perfect food pairing with Sparkling White. Head to www.facebook.com/SomersbyMY
